A WARM WELCOME FROM THE PRESIDENT

Dear Guests of the MCU,

It is my distinct honor and privilege to extend a heartfelt welcome to all of you, both familiar faces and newcomers, as the President of Mainseed Christian University. Here at MCU, we are more than just an educational institution; we are a family united by faith, a shared commitment to academic excellence, and a profound dedication to serving a higher purpose.

As we embark on this incredible journey together, I want to take a moment to reflect on what makes Mainseed Christian University so exceptional. Ours is a place where students are not just taught; they are nurtured, encouraged, and inspired to reach their fullest potential. We believe that education should not only enlighten the mind but also enrich the soul. 2 Timothy 2:15 – Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Our distinguished faculty, whose dedication to teaching and research is unparalleled, will guide you in your quest for knowledge, helping you develop critical thinking skills and a deep sense of purpose.

At Mainseed Christian University, we take great pride in our commitment to faith. We understand that faith is a cornerstone of personal growth and resilience. It is through faith that we find the strength to overcome challenges, the compassion to serve others, and the wisdom to discern our life's purpose. We encourage you to explore and deepen your faith while you are here, regardless of your religious background or beliefs. Ephesians 2:8-9 – “For it is by grace you have been saved, through faith and this is not from yourselves, it is the gift of God not by works, so that no one can boast.”

Our university is more than just a place of learning; it is a community where friendships are forged, values are instilled, and dreams take flight. I invite you to take full advantage of the resources, opportunities, and support systems available to you during your time at Mainseed. Engage in meaningful discussions, participate in extracurricular activities, and give back to the community through service and outreach.

As we look to the future, Mainseed Christian University remains committed to innovation, growth, and excellence. We will continue to adapt to the changing landscape of education, embracing new technologies and pedagogical approaches to ensure that our students receive the best possible education. 2 Peter 3:18 – “But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.”

In closing, I want to express my deep gratitude to all of you who have chosen Mainseed Christian University as your educational home. Together, we will create a legacy of faith, knowledge, and service that will impact not only our community but also the world beyond our campus. I am excited to embark on this journey with you, and I look forward to witnessing your growth and success.

THE DIVINE BLUEPRINT

THE JOURNEY OF DR. JOHN UGHULU AND MAINSEED CHRISTIAN UNIVERSITY

Dr. John Ughulu's journey began with a vision that was undoubtedly divine. It was at the heat of the CORONA VIRUS (COVID19) pandemic in the year 2020 when he first received a vision from God that would change his life forever. God put 2 Timothy 2:2 in the heart of John. In this verse Paul tells Timothy to take the things he learned and commit them to faithful men and women. Dr. John Ughulu received a clear vision to go into the world and create academic institutions (group of schools) for Christian Leadership empowerment.

With unwavering faith in Jesus Christ and a heart full of determination, Dr. Ughulu embarked on his mission. He partnered with a friend who shared his vision and together they Co-founded his first Bible college in November of 2020. That Bible college was the first step in fulfilling God's calling and it was a place where knowledge and faith in Jesus Christ would merge to illuminate the path to purpose.

For three years, Dr. Ughulu poured his heart and resources into the growth of the Bible College as the institution's Pioneer President and visionary Leader. The College thrived under his leadership, impacting countless lives globally. However, as time passed, Dr. Ughulu began to sense another vision. In the mid-months of the year 2023, the vision became clearer for Dr. Ughulu to step aside from the Bible college and also to relinquish all his shares as Co-Founder to the continuous growth of the institution under a new leadership.

With tears in his eyes and a heart full of trust, Dr. Ughulu obeyed the divine instruction. He knew that his journey was not yet complete and that God had a different plan in mind. The other Co-Founder continued the noble work at that college, while Dr. Ughulu awaited further guidance from God.

In the last quarter of 2023, the vision became clearer and Dr. Ughulu knew it was God's divine instruction, and this time, the message was clear: "It is time to plant a new seed, to nurture a fresh vision." Mark 16:15 became an obvious assignment at this point. In this verse, Jesus tells the disciples to ensure that the gospel is preached to all in every nuke and cranny of the world. Dr. Ughulu was to establish Mainseed Christian University, a place where the roots of faith in Jesus Christ would intertwine with the branches of knowledge, and the fruits of purpose would be harvested.

With renewed passion and unwavering trust in God's plan, Dr. John Ughulu embarked on the journey to create Mainseed Christian University (MCU). He knew it would be a place of transformation, a beacon of hope for those seeking their purpose in life through higher education. Just as a seed contains the potential for a mighty tree, he believed that each person held the potential for a life of significance, guided by faith and knowledge.

And so, Mainseed Christian University was born, a testament to Dr. Ughulu's obedience to the divine callings that had shaped his life. With every brick laid, with every book placed on a shelf, with every student welcomed, the university stood as a living testament to faith, purpose, and the belief that God's plan is always greater than our own.

Dr. John Ughulu's journey had come full circle, from a dream in 2020 to the establishment of Mainseed Christian University in 2023. It was a journey marked by faith, vision, obedience, and an unshakable belief that every person has a purpose waiting to be discovered, nurtured, and lived to its fullest potential in the light of God's guidance. JESUS IS LORD!
